Re: Rule Letter ER2-9001

Dear Commissioners,

The Railbelt Reliability Council (RRC) hereby submits the Public Comment and Complaint Resolution Rule (ER14), attached as **Exhibit A**, for approval by the Commission in compliance with 3 AAC 46.470, and as required by Letter Order L2400014 dated January 24, 2024.

The RRC proposes to make ER14 effective 45 days from the date of this filing. The RRC has posted public notice of this submission on the RRC's website at www.akrrc.org in compliance with 3 AAC 46.470(d)(6)(A)(iii) and requested public comment no later than May 17, 2024.

Explanation of Proposed Rule

ER14 was prepared pursuant to the process provided in the RRC's Product Development Rule (ER1) in response to Letter Order L2400014 issued January 24, 2024, which required the RRC to prepare and file a Complaint Resolution Rule and revised Tariff Sheet No. 6 referencing the rule. ER14 provides a framework for impacted stakeholders and members of the public to submit comments and complaints to the RRC for consideration and due handling and a process through which the RRC will acknowledge and, where applicable, respond to public comments and complaints provided to the RRC.

Record of Development

As required under ER1 and 3 AAC 46.460(A)(4)(I), a record of development of ER14 is submitted herewith as **Exhibit B**. The Record of Development includes the written explanation of the ER14 development process, as required by ER1 and 3 AAC 46.110(a)(2)(C), the Notice of Intent to

Develop ER14, Notice of Publication of Draft ER14 and the draft of ER14, and written comments submitted to the Manger during the working group process.

Conclusion

The RRC appreciates the Commission's review of the proposed Public Comment and Complaint Resolution Rule (ER14) and requests that the rule be made effective 45 days from the date of this filing.

Respectfully Submitted,

Railbelt Reliability Council

**PUBLIC NOTICE OF SUBMISSION OF PROPOSED RULES BY THE RAILBELT
RELIABILITY COUNCIL TO THE RCA**

On April 2, 2024 the Railbelt Reliability Council (RRC) filed with the Regulatory Commission of Alaska (RCA or “Commission”) the following Rule, which the RRC proposes to become effective 45 days after filing:

Rule #	Rule Name	General Description of Proposed Rule
ER14	Public Comment and Complaint Resolution Rule	This rule provides a framework for impacted stakeholders and members of the public to submit comments and complaints to the RRC for consideration and due handling and a process through which the RRC will acknowledge and, where applicable, respond to public comments and complaints provided to the RRC.

ER14 and accompanying Rule Letter ER2-9001, which provides additional explanation regarding the rule, are available for review on the RRC’s website at www.akrrc.org, and will be available on the RCA’s website, <http://rca.alaska.gov/RCAWeb/home.aspx>, once posted by the Commission.

Any person may file written comments on the Proposed Rules with the RCA, 701 West Eighth Avenue, Suite 300, Anchorage, AK 99501, <http://rca.alaska.gov/RCAWeb/home.aspx>. To assure the Commission has sufficient time to consider the comments before the proposed rules take effect, the RRC suggests that your comments be filed with the RCA no later than **Friday May 17, 2024**.
